### **Mission**

Growing Gardens' mission is to cultivate community through regenerative urban agriculture. Our programs empower people of all ages, income levels, and abilities by connecting them with their local food system, each other, and the environment.

Our organization values the diverse skills and individuals that come together to create a thriving community and workplace. We are committed to the work we do, and bring our best selves each day, but we don't take ourselves too seriously, have fun, and enjoy the process of doing good in our community. We take care of each other and put people at the center of everything we do.

### **Summer Camp Descriptions**

Children's Peace Garden Summer Camp strives to inspire the next generation of environmental stewards through hands-on learning experiences in the garden. We've found that connecting children with their food has lifelong impacts on their health and eating choices. We offer week long, full day camps for nine weeks in the summer for youth aged 5-11. Each week has a unique theme such as Create Roots: Art in the Garden, Sprouts and Shovels: Growing Future Farmers, and Farm to Fork Cooking. We run two different camps in the summer, Peace Garden Summer Camp, and Goats and Gardens Summer Camp. Educators will rotate into each of these camps, and get opportunities to participate in both activity plans!

### **Job Purpose:**

Growing Gardens' Summer Camp Educator works to deliver high quality summer camp educational programs. Educators co-lead a group of 15 campers each week and teach students about our farm and all it has to offer through lessons, activities, crafts, games and basic cooking. Working with the Education Program Manager, Summer Camp Educators are

responsible for leading children through activities and creating a fun and engaging week on the farm for our summer campers.

### **Major Functions and Accountabilities**

- Teach garden-based education programming to children and lead craft activities, games, stories and make snacks each day.
- Lead camp (with co-counselor) from 8:30 am-3:30 pm during the 9 Summer Camp weeks. Camp is located at the Boulder Farm Site or at the North Boulder Recreation Center depending on camp week.
- Work with fellow Summer Camp Educators to lead week-long summer camp sessions. All supplies, curriculum, and training will be provided by Growing Gardens prior to camp start date.
- Set up and clean up camp each day with the team
- Maintain positive relationships with campers, parents and fellow staff.
- Record keeping and administrative work documenting programming.
- This camp takes place outside in all weather conditions, so staff are expected to be prepared to work and facilitate programming in these various environments.

### **Required Qualifications**

- The candidate must have at least 460 hours of satisfactory and verifiable experience working with school-age children. **460 Hours must be with children aged 4-18 in groups of four or more. Babysitting hours cannot be counted.**
- Experience teaching in an outdoor or environmental education setting.
- Responsibility, reliability and organizational skills.
- Exceptional relationship building and conflict resolution skills.
- Ability to self motivate and work independently as well as collaboratively with the team.
- Ability to adapt to changing situations: weather, curriculum, child needs, etc.
- Consistent positive attitude and ability to enthusiastically work all day outdoors with children.
- The position is contingent upon the satisfactory results of a background check.

### **Additional Perks:**

- Access to organically grown produce on a weekly basis
- Access to discounted Pro deals on outdoor gear
- 50% off produce at our weekly Farm Stand
